CRYSTAL VIEW WEEKLY

October 19 - October 23, 2026

The Power of 20 Minutes

Twenty minutes may not seem like much, but it adds up! Reading for 20 minutes a day, 7 days a week, for 10 months equals more than 100 hours of reading. Those minutes provide valuable opportunities for children to encounter new words, practise reading skills, and develop reading stamina. Most importantly, choosing books and topics they enjoy helps children see reading as something they want to do, not just something they have to do.

Parking and Pick-up

Pick-up and drop off times are busy at all schools. Please be patient, park in appropriate spots, and follow proper traffic flow. It is unsafe to have vehicles going out the entrance, parking in no parking areas (including the fire lane), or trying to drive against the flow of traffic. We want everyone to get home safe!!

Within minutes the traffic lessens significantly and pick-up and parking is much easier. If you'd like to plan to pick up your student(s) a couple minutes after the bell there is supervision until 3:00.
