

# CRYSTAL VIEW WEEKLY

September 14-18, 2026

## First Week Complete!!!

We have officially finished the first week of the 2026-2027 school year. Our students are in their new classrooms and our kindergarten students have begun their gradual entry. Our Meet the Teacher night is coming up in a couple of weeks. However please reach out to your classroom teachers if you have any questions - you can find their email on the school website.

Students should bring their school supplies if they have not done so yet. If your family needs support for this please reach out.

The first PAC meeting is this Tuesday at 6:30. Everyone is welcome. It is a great way to get to know the school community. Free childcare is available.

Enjoy the weekend and we will see everyone Monday.

### Week at a Glance

#### Monday

- Half day for Kindergartens
- Assembly at 9:30 for grades 1-5

#### Tuesday

- First Day of school - grade 1-5 students return to last year's classrooms
- PAC meeting at 6:30 all welcome

#### Wednesday

- First full day for kindergarten students

#### Thursday

- Students move to new classes in the morning
- Kindergarten Open House 1:00-2:15

#### Friday

- Grade 1-5 assembly at 10:30

### Important Links:

Each year SD62 asks parents to complete online consents for their student(s). Consents can be completed online at <http://consent/sd62.bc.ca>

SD62 uses School Cash Online, a program which provides parents with the convenience of paying school fees, and purchasing items online.

For information on setting up your account please visit our website: <https://crystalview.web.sd62.bc.ca/parents/school-cash-online/>

### Dress for the Weather

The upcoming weather looks variable - please make sure your student is prepared to be outside - coats, rain wear, hats, and sunscreen may all be needed!

### Lunch - Pack in and Pack out

We have a Pack in - Pack out lunch routine at Crystal View. This means that any composting/wrappers will be taken home in students lunch boxes to be composted or disposed of. Besides reducing waste, as a parent you will have a clear idea of what your student is and is not eating. If you have any questions please do not hesitate to reach out to your student's teacher with any questions.
