The Great ShakeOut - Thursday, October 15

On Thursday, October 15 at 10:00am our school will join 60 million people worldwide to practice earthquake preparedness. Students and staff will practice what to do in the event of an earthquake.

"DROP, COVER, HOLD ON": Drop to the ground, take cover under a table or desk and hold on as long as the shaking continues. Wait for the "shaking" to stop and count to 60 to allow objects that may have shifted during the shaking to settle, then cautiously come out of your safe DROP, COVER, HOLD ON location.

Parking and Pick-up

Pick-up and drop off times are busy at all schools. Please be patient, park in appropriate spots, and follow proper traffic flow. It is unsafe to have vehicles going out the entrance, parking in no parking areas (including the fire lane), or trying to drive against the flow of traffic. We want everyone to get home safe!!

Within minutes the traffic lessens significantly and pick-up and parking is much easier. If you'd like to plan to pick up your student(s) a couple minutes after the bell there is supervision until 3:00.
