🎁 **Millstream Elementary Holiday Gift Shop - Donations & Volunteers Needed!**

Our annual **Holiday Gift Shop** is returning this December, giving students the opportunity to purchase affordable gifts for special people in their lives while supporting our school community.

To make this event a success, we are seeking donations of **new or gently used items** that would make thoughtful gifts for adults, teens, or children. Examples include:

- Home décor and seasonal decorations
- Mugs, candles, and kitchen items
- Books, puzzles, and games
- Jewelry and accessories
- Sports and hobby items
- Gift bags, tissue paper, and wrapping supplies

Please do not donate: stuffed animals, food items, or Halloween decorations.

We are also collecting: 🎀 Gift wrap, gift bags, tissue paper, ribbons, bows and tape

In addition, we are looking for enthusiastic **parent volunteers** to help with sorting donations, setting up, assisting students during the event, gift wrapping, and tear down.

Donation bins will be located in the school beginning **November 9** as well as at Treanor & Bellamy.

Thank you for helping us create a magical shopping experience for our students and an opportunity for them to give to those they care about!
