SD62 Online Consent Forms— Please visit <https://consent.sd62.bc.ca/apps/OnlineConsent> and complete online consents for each of your children. Student profiles are connected to the parent email address used in the online registration system. Online consents must be completed for all students at the beginning of every school year.

Student Release Form (yellow) - On Monday students will be bringing home a yellow paper copy of the **Student Emergency Release Form**. It is **critical** to fill out this form with accurate information and return the physical copy to the school. We keep physical copies in case of emergency.

Student Verification Forms - Student verification forms have been published to the MyEd BC parent portal. Please review your contact information and email any changes to mphipps@sd62.bc.ca. Please send any changes by email and include the name of your child(ren). No need to send the form, just any changes to be made in the body of the email. If you are having trouble accessing the parent portal, please note that due to the volume of requests, password resets will be done in the order they are received and will likely continue into October.

Scent Free—A reminder to parents and students that Happy Valley is a Scent Free Building. Scented products may provoke symptoms in sensitive individuals, including triggering responses in those with allergies and chemical sensitivities, the Board expects all staff, students and school district visitors to be aware and considerate about the effect of scented products anywhere in the District.

****Important Parking Notice – Please Read**** Parking is extremely limited, and it is critical that all designated staff parking spaces remain available for staff only — no exceptions. **Parents are not permitted to park in the staff lot adjacent to the playground at any time.** This includes before, during, and after school. While we understand the challenges of drop-off and pick-up, when staff parking is taken by others, it directly disrupts school operations.
